

### Notes and Rules:

Matches will be played in first to 15 points Tie Breaks. A deciding point will be played should the score reach 15 all. The rules will follow that of a normal tie break. That is, one player will serve for the first point, and then each player will serve for two points each for the remainder of the tie break. This should run well with the very limited time that we have.

The top two teams in each pool will go into a semi final round, with the top team of Pool A playing the second team in Pool B. The Top team of Pool B will play the second team of Pool A.

The teams that finished 3<sup>rd</sup> in their pools will play off for 5<sup>th</sup> and 6<sup>th</sup>.

The teams that finished 4<sup>th</sup> in their pools will play off for 7<sup>th</sup> and 8<sup>th</sup>.

The match rules will stay the same for the semi final round and final rounds.
