I would like to thank the HKTA staff, council and committee members for their hard work throughout the year. 2016 has been a fruitful year for Hong Kong tennis with a combination of good junior results, the launching of community initiatives and closer ties with the ITF.

I wish to highlight the outstanding performance of the Hong Kong World Junior Tennis Girls' team consisting of Cody Wong, Jenny Wong and Lin Wing Ka, who won the Asia/Oceania qualifying event and came sixth in the World Finals, which matches the best-ever Hong Kong result in an ITF junior team tournament.

The HKTA has continued to expand its community effort with the launch of the \$21 million Jockey Club Tennis Rocks Programme. During the year, the Community and Social Responsibility Committee, which I chaired, was established. The main objective of the committee is to serve and contribute to the Hong Kong community, providing the opportunity for primary school students, teachers, seniors and children with special needs to learn tennis.

I attended the ITF Annual General Meeting held at Zagreb, Croatia in June and met with the ITF President and some of the Board Members, as well as delegates from different national associations. More importantly, I witnessed Hong Kong's application to increase our stake in ITF membership from one share to three shares being approved. This aligns with the HKTA's recent expansion in international tournaments and initiatives. I again met with the ITF President, Mr. David Haggerty, when he visited Hong Kong in September, becoming the first ITF President to visit since 2005.

At this year's Prudential Hong Kong Tennis Open, I was excited to see one of the best ever player line-ups for an international series event, with three Grand Slam champions and four World No1s competing. The tournament climaxed on the Sunday final, with former World No1 Caroline Wozniacki claiming the title in a thrilling game with the fast upcoming Kristina Mladenovic.

Lastly, I would like to thank the Home Affairs Bureau, the Leisure and Cultural Services Department and the Mega Events Fund for their continued support.

## HIGHLIGHTS OF THE YEAR

Participants of the LTA and Boris Becker coaching clinic at Mission Hills

### Hong Kong Coaches receive LTA Coaching Certification

Five Hong Kong coaches attended and received certification from the Boris Becker & Lawn Tennis Association (LTA) Coach Association at Mission Hills in July. The coaches received valuable insight from former no.1 and 6 time Grand Slam champion Becker and Dan Thorp, the LTA's Head of Coach Development, with the course marking the first time the LTA coaching certification has been held outside the United Kingdom in China.

### New coaches in 2016

One of Hong Kong's most successful homegrown players, Tong Ka Po joined the NTS Kowloon Tsai coaching team earlier this year. During her professional career, Tong reached a high of WTA No. 236 in singles & 154 in doubles and racked up 3 ITF Pro Circuit singles and 6 doubles titles. She will now impart her considerable experience with the next generation of upcoming players.

John Black from the United Kingdom and Nikola Zajelac from Serbia joined the HKSI coaching team this year. Both have impressive credentials with John having worked with current top pro Kyle Edmund as a travelling coach whilst Nikola has coached former Junior No. 1 Nikola Milojevic.

At the beginning of the year former Hong Kong Davis Cup player Mr. Michael Walker was recruited as Director of Player Development to head up the HKTA coaching programme.

### Hong Kong secures Davis Cup Group II promotion

Hong Kong will re-join Davis Cup Asia/Oceania Group II in 2017 after emerging triumphant at the Group III playoffs held from July 11-16 on the high altitude outdoor clay in Tehran, Iran. In the group stages, the team, comprising of Karan Rastogi, Jackie Tang, Jack Wong, Kevin Wong, David Ho (Manager) and Yu Hiu Tung (Captain) defeated Turkmenistan and Pacific Oceania, but lost 2-1 to Iran to finish second in Group A and advance to the play off stage.

With promotion on the line, Hong Kong toughed out a 2-1 victory over Group B winners Lebanon. After Hong Kong dropped the opening singles rubber, Karan Rostogi secured a straight forward singles win and then teamed with Kevin Wong to capture the deciding point in doubles. The promotion will see Hong Kong compete in Group II for the first time since 2014.

## EFG Under-14 Team finish Sixth in World

Hong Kong's under-14 girls team recorded a historic milestone at the World Junior Tennis finals in Prostějov, Czech Republic, held from August 1-8, placing sixth overall ahead of all other Asian teams. The team, consisting of Cody Wong, Jenny Wong, and Lin Wing Ka qualified for the WJT Finals for the first time in the tournament's 25 year history after winning the WJT Asia/Oceania qualifying event in April, where they took out Australia, Korea, and Japan in successive rounds.

Seeded 5th for the Finals, Hong Kong defeated Slovenia and Argentina in Group A, but lost to eventual winners and number 1 seeds Ukraine, moving them into the 5-8th position playoffs. Facing Ecuador next, Hong Kong triumphed emphatically 3-0 to set up a final match against Slovakia. The EFG Girl's Team lost the two singles rubbers, but saved face with a hard fought doubles victory to finish in 6th place, Hong Kong's best ever result in the competition.

## Jockey Club Tennis Rocks Programme launched

In the presence of Financial Secretary John Tsang and newly appointed HKTA Ambassador Eason Chan, the three year Jockey Club Tennis Rock Programme was launched in September. The programme, which will receive HK\$21 million in funding from the Hong Kong Jockey Club Charities Trust, focuses on promoting the sport to all sectors of society by providing free training and equipment to over four thousand participants from four social groups- primary school students, children with special educational needs, PE teachers and senior members of the community. The programme seeks to boost grass roots development, whilst integrating tennis to the community and making tennis more accessible to the public.

## Jackie Tang and Jack Wong break into ITF Top 100

After recording consistent results over the past year, two of Hong Kong's most promising junior players, Jackie Tang and Jack Wong broke into the ITF Top 100 junior rankings in July.

17 year old Jackie recorded a career high of No. 59 in September, reaching the second round of the Wimbledon Junior Championships in June and reaching the final of the Grade 1 China Junior 14 Nanjing in singles. He also reached the quarterfinals of the US Open Junior Doubles Championships with partner Lo Chien Hsun.

Jack, who turned 18 this year reached No. 89 in August, capturing the Grade 3 China Junior 6 singles title in Chengdu and three junior doubles titles this year and made his mark on the ITF Pro Circuit by reaching the Indonesia F1 Future's men's singles final in Jakarta.

## ITF President visits Hong Kong

Hong Kong played host to David Haggerty, the ITF President on September 30th, marking the first visit of an ITF President to Hong Kong since 2005. Mr. Haggerty was taken on a tour of the HKTA training centre at Kowloon Tsai Park as well as the facilities at the Hong Kong Sports Institute (HKSI). Afterwards he met with Council members to discuss how the ITF could help foster development of the game in Hong Kong and the future role HKTA can play in both Asian and world tennis.

## PRUDENTIAL HONG KONG TENNIS OPEN 2016 REVIEW

The third edition of the Prudential Hong Kong Tennis Open (PHKTO) took place from October 8-16, with a star studded line up descending upon Victoria Park for the week long sporting spectacle, during the last week of the Autumn Asian Swing.

The Tournament was sponsored by the Mega Events Fund for the second year running, recognised as an 'M' Mark Event and supported by the Tourism Commission, the Leisure & Cultural Services Department and the Home Affairs Bureau. Prudential Hong Kong Limited were Title Sponsors for the third straight year, alongside Tournament Partners Lee Gardens, BMW, NEC, Leica, Lalique, The Kowloon Dairy, Lotto, Head, Gatorade, Yonex and VITA, amongst others.

The player field was one of the most impressive for an International Series event all year, led by World No. 1 and Australian Open & US Champion this year Angelique Kerber. The German was joined by tennis icon Venus Williams, defending champion and former World No. 1 Jelena Jankovic, top 20 player Johanna Konta, Chinese No. 3 Wang Qiang and perennial crowd favourite and former World No. 1 Caroline Wozniacki. French Open doubles champions and rising stars Caroline Garcia and Kristina Mladenovic, along with the up and coming Daria Gavrilova represented the young guard.

With top seed Kerber stumbling in the quarterfinals against the tenacious Gavrilova and none of the other top 4 seeds making it out of the second round, the final was experience versus youth after a rock steady Wozniacki took out defending champion Jankovic and Mladenovic and overcame Gavrilova in straight sets in the semi finals.

The final, played in front of a packed crowd, was full of twists and turns, with the consistent Dane racing through the first set 6-1 against a seemingly ailing Mladenovic, only for the French player to tap into hidden reserves and employ her big hitting game to grab the second set in a tiebreak. Despite some impressive shot making in the third set, Mladenovic was only delaying the inevitable, with the unflappable two time US Open finalist utilising her impenetrable baseline game to wrap up a 6-1, 6-7(4), 6-2 victory in a gruelling 2 hours 40 minutes.

The win marked Wozniacki's second title of the Asian Swing following her win at the Tokyo Pan Pacific Open and consolidated a remarkable return to form in the second half of the season, which saw her reclaim her rightful spot back in the top 20.

The doubles final saw the number one seeded Chinese Taipei sister duo of Chan Yung-Jan and Chan Hao-Ching down the unseeded pairing of Brits Heather Watson and Naomi Broady 6-3, 6-1.

Hong Kong was represented by Zhang Ling who was awarded a wild card into the singles main draw, losing to Wang Qiang in the first round, whilst qualifying wild cards were given to Claudia Ng, Cody Wong, Katherine Ip and Eudice Chong, whom advanced to the qualifying final round.

The core focus of community engagement was further developed this year with a number of keystone initiatives. The PHKTO's flagship CSR initiative "Let's Serve" offered tennis clinics for around 10,000 students and "Kid's Day" saw over 100 students receive the chance to hit with WTA pros. Thousands of people received free entry to the Tournament for People's Monday which kicked off the event with a colourful opening ceremony and Student's Tuesday.

Friends of Asia Hong Kong, the Tournament's Official Charity Partner matched dollar for dollar the amounts raised from the PHKTO's charitable events "Can Challenge" and "Bounce for Tennis." Four WTA players including Johanna Konta and Zheng Sai Sai helped prepare meals at Food Angel, an organisation which re-processes surplus edible food into meals for the underprivileged.

The Tournament Village once more was a focal point for fans throughout the week, with a festival atmosphere for families to enjoy and played host to star autograph sessions, an array of F&B options, and interactive games & activities, whilst a FANZONE was set up on Pak Sha Road in Causeway Bay.

HKTA would like to thank Prudential Hong Kong for its continued support, as well as the Mega Events Fund, Tourism Commission, Major Sports Events Committee, Home Affairs Bureau, Leisure & Cultural Services Department and all other sponsors and partners, without which the success of the tournament would not be possible.

The HKTA signed significant sponsorship contracts with several well-known commercial brands in 2016, including: Nissin will replace Lions as the title sponsor for the Hong Kong National Junior Tennis Championships, starting in 2017. The company has been the title sponsor of the Hong Kong Junior Series and Junior Novice competitions for the past two years, but the brand is now extending its involvement with local tennis development by including the Hong Kong National Junior Tennis Championships, the biggest local junior tournament. Nissin is one of current ATP No. 5 Kei Nishikori's major commercial affiliations, and last year signed a contract extension that will run until 2020. According to Forbes, Nishikori was the highest-earning Japanese sports person last year and the 29th highest-earning international athlete.

Kowloon Dairy was secured as title sponsor for the Hong Kong Asian Tennis Federation Junior Series 14U, which took place during the last weeks of August 2016. Kowloon Dairy, a well-known Hong Kong brand that has been in operation since 1940, was the title sponsor of the ATP Challenger in 2015. For the second straight year, the brand also returned as the "official dairy partner" of the Prudential Hong Kong Tennis Open. Kowloon Dairy products are 100% locally made by more than 450 employees. For over 75 years, the Kowloon Dairy has continued to supply everyday goodness to the community at large. Being recognised as the number one milk brand in Hong Kong underlines its commitment to quality and service.

Sergio Tacchini is a new partnership that will come on board as the "official uniform sponsor" of all the junior and senior teams in 2017. Over the years, the premium Italian sports brand has enjoyed a long and storied association with tennis players; starting most notably with John McEnroe in the 1970s, Gabriela Sabatini (1980s), Pete Sampras and Martina Hingis (1990s), Novak Djokovic in the early 2010s, and most recently former ATP No. 5 Tommy Robredo and Barbora Strycova (WTA No. 20) from 2014 onwards. Sergio Tacchini is also the official uniform sponsor of the prestigious Monte-carlo Rolex Masters.

## Year in Review

Main objectives of the Coaches Development and Qualification Committee are to ensure that all HKTA licensed coaches have access to a high-quality coaching support service that is required to assist them to uphold and improve their coaching standards, by providing continued education to update the coaches with the latest methodology and tools.

This year the CDQC planned and implemented a fruitful agenda of coaches' trainings, refreshment courses and workshops. All these are organised to expand the opportunities through which the coaches can further enhance their knowledge, and to furnish them with the proficiency that is required to stay at the forefront of the coaching industry.

Highlights of the year included a coaching workshop conducted by former Technical Director of French Tennis Federation, Mr. Patrice Hagelauer in September; and a workshop on special behavioural issues conducted by the founder of Learning Support Services Association Ms Anita Ellis. In addition, nine coaches attended the ITF Asian Coaches Conference from 29 October to 1 November in Guangzhou.

The overall responses to these workshops have been extremely positive, and in 2017 the CDQC will continue to increase the coaches' training opportunities by inviting professionals from different areas to conduct workshops. In the meantime, the CDQC will assist coaches in their efforts to acquire higher level coaching qualifications.

The CDQC believes that the development of coaches in Hong Kong through the provision of appropriate education and support is essential to ensure the future success of tennis in Hong Kong.

## ITF-endorsed HKTA Coach Certification Scheme

There were four Mini Tennis Instructor Courses and one Elementary Course conducted by local tutors in 2016. The CDQC also finally organised the second Advanced Course since 2002 to achieve one of its targets, which is to increase the number of higher level coaches.

## HKTA Coach Licensing Scheme and Coach Benefits

Initiated by the Committee in 2003, the HKTA Coach Licensing Scheme serves to provide a quality benchmark for accessing the overall standard of coaches. This year 358 coaches successfully registered under this scheme. The scheme helps to standardise the coaching system, recognise qualifications of coaches, and open a learning window for the coaches to keep abreast of the latest coaching know-how and technology in the game through a continuous educational programme.

The CDQC has been actively promoting the status of the HKTA licensed coaches in all the HKTA programmes and on public courts throughout the year. The CDQC places a great deal of focus on the benefits of the licensed coaches and has endeavoured to promote the licensed coach status to the tennis public.

## Workshops and Seminars

The 12 workshops and seminars organised provided an opportunity for licensed coaches to consolidate their knowledge in different aspects. The following workshops and seminars by CDQC were organised in 2016 and were very well-received by the coaches:

### **ITF Recognition of Coach Education Systems**

Obtaining bronze recognition is still one of the CDQC's targets and the above activities were all designed to make this a success. We are getting closer to bronze recognition and hope this can be confirmed in 2017.

## Year in Review

The Community and Social Responsibility Committee was established in November in view of the increasing number of HKTA-run programmes and activities relating to community engagement. The process entails working with identified social groups to address issues that affect their well-being. It serves to broaden the scope from the individual to the collective to ensure consideration is given to the diversity that exists within our community. Communication, education, information delivery, public participation, working in partnership, etc., all fall under this category. The main responsibility of this committee is to oversee the organising and planning of such programmes, as the Association continues with its goal of making the sport more accessible to the public.

## Jockey Club Tennis Rocks Programme

This year, the Hong Kong Jockey Club Charities Trust (HKJCCT) allocated \$21 million to the HKTA for the new Jockey Club Tennis Rocks Programme. It is designed to benefit under-resourced schools and underprivileged groups and impact participants' lives positively by establishing tennis as part of their daily routine.

The programme targets four social groups:

1. Primary School Students
2. PE Teachers
3. Retirees
4. Students at Special Schools

The duration of the programme is three years, during which the HKTA provides coaching, courts, and equipment. A press conference was held on 30 August 2016 on Centre Court at Victoria Park to kick-off proceedings and introduce specifics to the public and media. Special guests in attendance included Financial Secretary, John Tsang, and the Association's newly-endorsed HKTA Ambassador, Eason Chan.

## HKTA Tennis Rocks

The programme started in 2014 with the financial support of the Wilber Foundation and Prudential Hong Kong Limited. The aim is to encourage novices to pick up tennis and take part in local competitions or beyond. Training is provided to selected kids within their own residential districts, reaching Tuen Mun, Kwun Tong, Yau Ma Tei, North District and Shatin thus far.

Key points:

- Approximate coach to student ratio 1:8
- Targets beginners aged 8 and under, giving them a sense of basic skills, to enjoy the game, and have fun using Red tennis balls.
- Depending on their progress, the HKTA may subsidise entry fees for their participation in various individual or school tennis competitions.

It delivers positive values and character-building challenges to kids who, otherwise, may have little or no opportunities to participate in tennis. Aside from training, they are encouraged to join other extra-curricular activities, such as Inter-Primary School Tennis and Mini Tennis Competitions.

The programme also seeks to provide other avenues, such as meet-and-greets with national players, sharing workshops, and attending tournaments, through which added opportunities are available for them and their families to experience tennis outside regular training.

## Fundraising

The two charity events at this year's Prudential Hong Kong Tennis Open – “Can Challenge” and “Bounce for Tennis” – raised \$200,000 and \$89,218 respectively. All proceeds went toward supporting HKTA's programme for students with special educational needs in mainstream schools (NGO collaboration with Learning Support Service Association) and underprivileged students not quantifiable under the Jockey Club Tennis Rocks Programme.

Friends of Asia Hong Kong, the Official Charity Partner of the Hong Kong Tennis Open 2016, made matching dollar-for-dollar donations to benefit their charity organisations of choice – Inspiring HK Sports Foundation and Hong Kong Adventist Hospital Foundation.

The Community and Social Responsibility Committee appreciates and commends the Hong Kong Jockey Club Charities Trust, Wilber Foundation and Prudential Hong Kong Limited for their financial support, as well as all their staff members that assisted with the programmes and fundraising activities mentioned above.

### Year of Review

2016 saw the second year of the Governance Committee's (GC) mandate to streamline the committees' terms of references, further enhance the association's governance of conflicts of interest, and assist the Council in the creation of a legal working group. These work streams and initiatives have been ongoing, and recommendations from the committee will continue to be provided to the Council when appropriate.

The Protection of Children and Juveniles Ordinance and the Sexual Harassment conviction record check policies were discussed, and the Committee proposes implementing both policies for all full-time and part-time coaches.

In addition, we had a joint meeting with the Finance Committee (FC) to advise on the internal controls raised by the Leisure and Cultural Services Department (LCSD). An independent committee has been established to provide advice.

### Plan for 2017

## Year in Review

The MCAC is responsible for the communication with, and the dissemination of news and information to HKTA members, affiliated and league clubs, sponsors, tennis enthusiasts in the business sector and the wider public. The MCAC also maintains the HKTA's membership and membership services, and procures sponsorship for the HKTA and its events.

Corporate Patron League 2016 - Prize Presentation

During the year, the MCAC held the 24th Dr. Henry Fok Corporate Patron League. With the success in expansion of Corporate Open to Corporate Open A and Corporate Open B in 2015, this year's event followed the same format for players not graded A+ but with Corporate Open A and Corporate Open B draws renamed as Corporate Open Premier and Corporate Open Championship draws for players not graded A+ respectively to better reflect the entry requirements of each draw. In order to attract wider participation and raise the popularity of the event among the business community, a players' party was held on the first Sunday of the event. It received a good response from participating teams, who enjoyed live band music and food between matches. The 24th Dr. Henry Fok Corporate Patron League was concluded on 2 May, with a total of 38 teams and 293 players participating. The event generated more than HK\$130,000, which was applied to various HKTA junior development programmes.

Corporate Patron League 2016 – Players' Party

Individual and club membership remained steady during the year, which generated a stable income for the HKTA.

The MCAC also focused on finding sponsors for HKTA's tournaments throughout the year, securing a total of 41 sponsors (33 in 2015). Of these, 13 (8 in 2015) and 18 (10 in 2015) supported the Corporate Patron League and the Hong Kong Tennis Open 2016 respectively.

Promotion of the latest tennis news remains a key focus of the MCAC. During the last year, a total of 219 news articles were published through the HKTA websites and social media channels such as Facebook and Twitter. Members and tennis fans can obtain the latest results and developments via these platforms. Press releases for big news stories, like the Hong Kong Tennis Open, were sent to key media outlets.

## Year in Review

The Officiating Committee strove to focus on improving the standard of officiating at all levels, and encouraged more officials to attend the ITF workshops to upgrade their officiating levels and get further experience by working at international events. HKTA officials worked on a busy tournament schedule in 2016 with 68 events, including the third edition of the Prudential Hong Kong Tennis Open, \$25,000 ITF Women Circuits and a new ITF Junior Grade 5 tournament.

ITF Level 2 Officiating School – Chinese Taipei (6 – 10 Oct 2016)

This year, Mr. Roy LIU passed ITF Level 2 and attained the (White Badge) Chair Umpire certification.

We also have some senior officials working at ITF, WTA and ATP events.

## HKTA National Level Umpire Training Course

The HKTA also holds the National Level School every year in order to recruit new officials to cater for the greater number of tournaments organized every year. Some 23 candidates successfully completed the National Level Umpire Training Course conducted at the Victoria Park Tennis Courts and Kowloon Tsai Park Tennis Courts in May.

### HKTA officials' qualifications:

National Level officials	205
ITF White Badge	13
ITF Sliver Badge Chief Umpire	1

The HKTA recruited Mr. Roy LIU as the full-time staff of Officiating Coordinator. The HKTA also encouraged officials to work in high-level professional tournaments overseas. Hopefully more Hong Kong officials can reach the international officiating level. New officials' uniforms were distributed to all active officials this year, and the team uniform meets the Committee's goal of a unified and professional appearance and team spirit for all officials.

## Year in Review

Progress continues to be made on many key areas of the Player Development Programme to ensure we develop high-performing tennis athletes for the future. We have achieved good results in 2016 that are extremely encouraging, especially the outstanding achievement by the World Junior Tennis Girls' Team, who won the qualifying event in Asian/Oceania, qualified for the World Finals for the first time ever and captured 6th position in the world group.

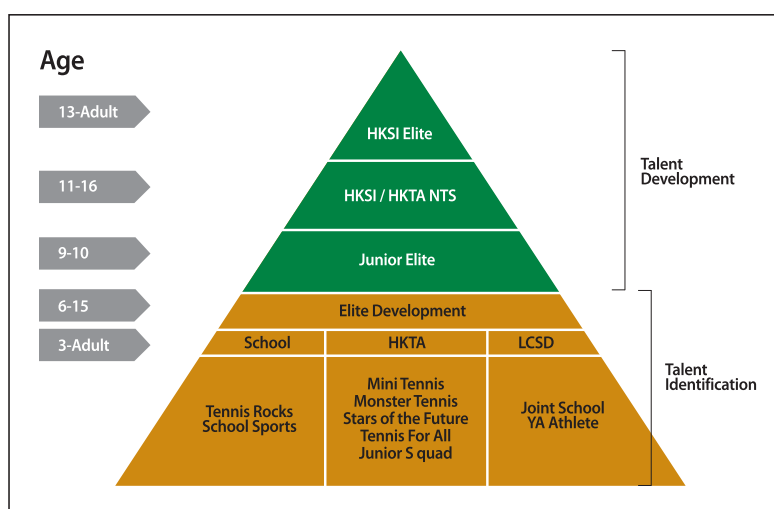

The National Training Squad and Elite Development were improved in terms of the resources invested in coaches and players. Mr. Michael Walker was recruited as Director of Player Development at the beginning of the year. In addition to the Incentive Scheme, we have also set up the HKTA Tournament Support Scheme this year to top up the previous player support and enable players to obtain essential match-play experience at international tournaments.

Our school programmes go from strength to strength. We have succeeded in making great progress, which clearly shows in participation numbers. This year, the number of schools participating in Inter-School Tennis increased approximately 30%, while enrolment in the Mini Tennis Programme has also seen continuous growth.

Improvements have been seen not only in increased participation, but also in the enhanced Junior Development Programme. (See Junior Development Pyramid). Updating the Junior Tennis Development strategies has ensured a clear focus and sense of purpose to our work, which will enable us to identify talent and deliver our programmes in more effective and efficient way.

We will continue to explore channels to promote tennis in 2017, enhance the development work and ensure we are increasing the playing standard by offering quality coaching and continuously investing the necessary resources in our programmes.

Success is always due to the support of many different bodies, and the PDC would like to take this opportunity to thank the HKTA Council for its support during the year. The PDC would also like to thank Prudential Hong Kong, EFG Bank, Wilber Foundation and Prince for their financial support, the Leisure and Cultural Services Department for its funding support, the management of the HKSI for their continued support and grants awarded over the year and Prince, Dunlop, Head and Wilson for their generous sponsorship. The PDC would also like to recognise the hard work of the HKTA National Coaching Team and staff, all the licensed coaches, and players who have given us so much support during the year, and the players' parents for their confidence and trust in us.

## 2016 Results Highlights

The year's remarkable performance was the 14U girls' team finishing first at the World Junior Tennis Asia/Oceania Qualifying in Thailand and reaching the finals for the first time ever. The team that consisted of Cody Wong, Jenny Wong and Lin Wing Ka beat the top seeds, including Australia, South Korea and Japan, and sealed their place on the world stage. The team was eventually placed sixth out of sixteen teams in the finals, the highest placing to date.

Junior No. 1 boy, Jackie Tang, appeared in three Grand Slam tournaments this year. He qualified for the main draw and reached the second round in the Australian Open Junior Championships singles at the beginning of the year; qualified for the main draw at the Junior Championships, Wimbledon, after two impressive qualifying wins; and reached the doubles quarter-finals at the US Open Junior Tennis Championships.

Other notable results included Jack Wong reaching the singles final in the Indonesia Futures; Eudice Chong and Katherine Ip teaming up for their first ITF Women's Pro Circuit doubles title and Lam Ching and Alan Sou reaching the doubles final in ITF Junior GB1 Korea. Their success motivates others to compete harder, with the result that Hong Kong has 38 ITF ranked juniors, two of them are in the top 100; five WTA and four ATP-ranked players in 2016.

## Davis Cup Commitment Awards

Hong Kong Davis Cup stalwarts Mark BAILEY and YU Hiu Tung were honoured by the International Tennis Federation with the Davis Cup Commitment Award, reflecting their long-standing dedication to representing Hong Kong as all recipients had to compete in a minimum of 20 home or away ties or 50 ties at any level of the competition over their career.

Every quarter the HKSI recognises outstanding results through the Sports for Hope Foundation Outstanding Junior Athlete Awards. This year, tennis partners Jackie TANG and Jack WONG both received the award after winning a silver and a bronze medal respectively at the LTAT ITF Junior in Thailand and 27th Sarawak Chief Minister's Cup (I) ITF Junior Tennis Championships in Malaysia. Later in the year, Cody WONG, Jenny WONG and LIN Wing Ka of the WJT girls team received the same award. The team shone at the ITF World Junior Tennis Competition 2016 (Asia/Oceania Final Qualifying), where they became the 14U girls' team champions.

The main objective is to nurture promising players through comprehensive athlete-centred, player development and competition.

### ITF Junior Team Events

As in previous years, each team was formed from the singles winners and runner-ups of the Hong Kong National Junior Tennis Championships for the age group, plus a captain's pick. Our EFG Hong Kong World Junior Tennis girls' team, which qualified for the world finals for the first time ever, consisted of Cody Wong, Jenny Wong and Lin Wing Ka. Drawn in the same group with first seed Ukraine, Hong Kong beat Ecuador in the playoff for fifth and eighth and finally claimed sixth place in the final standings.

EFG Bank has been very supportive, donating an additional HK\$100,000 in recognition of the World Junior Tennis girls' team achievements in qualifying for the world finals in the Czech Republic. The PDC used the additional funds to arrange preparation for the European clay court tournaments, which helped make the team more competitive during the tournament.

Both the Junior Fed Cup team of Venia Yeung, Claudia Ng and Cody Wong and the Junior Davis Cup team consisting of Sunny Yue, Jonathan Zhang and Roger Ng finished 11th. Elsewhere, the Under-14 Boys' team of Kyle Tang, Oscar Chan and Kevin Wong claimed 13th place at the WJT Asia/Oceania Final Qualifying in Bangkok, Thailand.

The Playoff for the WTA Future Stars Junior tournament was held end of September. Features players from across the Asia-Pacific region aims to promote high-level athletic development, health, fitness and empowerment of women through tennis. Venia Yeung and Lin Wing Ka earned their right to represent Hong Kong in 2016 after local play offs.

Both Venia and Ka ranked third in their groups and therefore failed to progress past the round-robin stage. However, it was an invaluable and memorable experience to compete against top 14U and 16U players from across Asia. The girls also had the opportunity to participate in the coaching clinics, recovery sessions and athlete development seminars conducted by the WTA. Most importantly, the girls met the WTA Finals stars at the draw ceremony and practice sessions.

Candy Wai represented Hong Kong at the Longines Future Tennis Aces 2016 in Paris, where 16 players from around the world competed for the prestigious annual 13 & Under tournament during the French Open fortnight. Although she bowed out to Ana Paul Martinez of Mexico in the opening round, 4-2, 4-2, wins and losses are of secondary importance as the trip was a great opportunity and a wonderful experience for any tennis player.

Age 15 - win an ITF group 4 or above

Age 16 – win an ITF group 3 or above

## Elite Development

The Elite Development Programme (ED) continued to serve as a platform with clearly defined structures and competitive pathways to players to aid their progress towards the National Programme and beyond. There were approximately 280 players who were required to fully commit to the programme, and more than 20 were promoted to the National Training Squad (NTS) in September.

A Junior Elite group was also established in the 2016/2017 season to provide more intensive training and offer more match play opportunities to good 10U players.

Another successful ED year ended with an End of the Season Party held at Wu Kwai Sha Youth Village. Awards were presented by Mr Alvin Ma from EFG Bank to players with outstanding performances, the winners were voted by the ED coaches.

### Junior Squad

There were 74 squads organised at 26 venues in 2016, with more than 800 players undergoing systematic training all over Hong Kong, Kowloon and the New Territories. They were supervised by a group of experienced HKTA licensed coaches, and official coaches meeting were organised regularly to discuss improving the programme.

Squad Meet at Victoria Park

The Junior Squad has long been the breeding ground for aspiring young tennis talents, and an important channel for the growth of a broad base of tennis-playing youngsters in Hong Kong. A Squad Meet was organised at the end of the season. All players were invited to watch the final of the ATF tournament at Victoria Park and awards were presented to outstanding players in the squad.

## Young Athletes

Open assessments conducted by the Selection Panel were held every six months. The latest phase saw 95 players attend the assessment, with 32 finally selected. Evaluations were conducted regularly to make sure the players were given a progressive pathway to develop their true potential.

Young Athletes is a programme for players aged 10 and under, whose training using green balls is closely monitored by the Technical Executive and a group of HKTA licensed coaches. Players in this programme need to fulfill the requirements, such as attendance and tournament commitment.

## Tennis Stars of the Future

The number of participants continued to increase for the third consecutive year this summer. Approximately 1,350 fresh new faces picked up a tennis racquet for the first time, all of whom will hopefully, in time, learn to appreciate the time-honoured virtues of tennis and come to embrace tennis as "a sport for life".

The programme is structured with five stages to provide a systematic tennis training programme at entry-level for children between the age of 6-14. As the participants advance to a higher stage, their skill level and knowledge of the game will also increase correspondingly. The programme culminates with an age-group competition, which is a chance for the players and coaches to see how they have advanced after six months of training. This year the competition will consist of Boys 6 & under, Girls 6 & under, Boys 8 & under, Girls 8 & under, Boys 10 & under, Girls 10 & under, Boys 12 & under, Girls 12 & under and Girls 12 & under. Those who exhibit a keen talent for the game may also receive invitations to join various HKTA junior squads to further their development.

The PDC would like to take this opportunity to thank Dunlop and LCSD for their support of this programme. We are looking forward to meeting more young children through this programme and helping them to discover their sporting potential and experience the fun of tennis.

## School Programmes

With the generous support of Prudential Hong Kong Ltd. the school programme was significantly enhanced and enabled more school visits in 2016 and provided more resources to introduce the game to students in their physical education lessons, while also providing guidance to teachers for organising tennis activities in class. The “Let’s Serve” programme launched in 2016 reached 48 primary and secondary schools with close to 10,000 students benefiting. The feedback was excellent and we will continue the programme in 2017, hopefully one day reaching out to all schools.

## All Hong Kong Inter-Primary Schools Tennis Competition

This competition was organised in conjunction with the Hong Kong Schools Sports Federation (HKSSF). There has been a significant increase in participating schools and players. The number of schools and players increased from 100 to 130 schools and from 325 to 512 participants compared to last year. All matches were played at the HKTA Tennis Centre from 27 September to 7 October. The PDC is incredibly grateful for the support provided by Prince, the HKSSF and all primary schools.

## Mini Tennis

Mini Tennis is a very important part of the HKTA Junior Development Programme that provides an ideal vehicle for the development of foundation tennis skills in young children. Through Mini Tennis, the sport is introduced to kids from age three onwards.

### Regional Mini Tennis

Regular mini tennis training for different levels was organised in regions. Enrolment was consistently good and we are looking for a more successful year in 2017 by adding more fun and updated programme training.

### Kindergarten Mini Tennis Tour

The PDC continued to arrange fun, interactive mini tennis training at kindergartens. The children's response has been great and the principals, and teachers appreciate the extra value that playing mini tennis has brought to school life. The Mini Tennis Demo Team will continue to visit more kindergartens and put racquets in the hands of enthusiastic young children in the coming year.

### Community Tennis

The PDC has continuously worked closely with LCSD to promote tennis to local communities. A total of 34 community tennis clubs (CTC) are now affiliated with the HKTA, and fun days, various training programmes and leagues were organised through the network.

## Year in Review

Competition is a key element in our sport and providing competitive opportunities at all levels and ages is central to the Tournament Committee. In 2016, the HKTA hosted a total of ten ITF Pro Circuit tournaments for men and women, in addition to three ITF Junior Circuit events. A two-week ATF 14 & Under Circuit was also held. Participation in local tournaments remains strong with close to 800 entries for the Lions Hong Kong National Junior Championships, and the Junior Series and Junior Novice Competitions totaling a combined 2,700 entries. To provide more match-play experience for 12 & Under players, a Community Junior Tennis Competition with four legs of competitions, and each leg consisting of separate draws for Hong Kong Island, Kowloon, and the New Territories, was organised. A revamped Hong Kong Junior Ranking System that is more in line with the ITF Junior Rankings was rolled out in July and will be in full running by 2017.

## ITF Circuit Events

From June 6th-25th, Hong Kong hosted three US\$10,000 ITF Men's Futures events at Victoria Park Tennis Stadium. The three tournaments offered local players an opportunity to play against overseas professionals and to gain experience for the Davis Cup in July. Two US\$10,000 ITF Women's Circuit events were held in July, with Katherine Ip reaching the semifinal in singles and winning the doubles title together with Eudice Chong in Week 1. The pair also reached the semifinals in Week 2. In December, two US\$10,000 Men's Futures events will be held at Victoria Park and another US\$10,000 Women's Circuit at the Hong Kong Sports Institute. The Storefriendly Self Storage Group Ltd will be sponsoring a combined US\$15,000 Men's Futures and US\$25,000 Women's Circuit event at Victoria Park during the first week of January 2017.

## Hong Kong District Tennis Circuit 2016

The Hong Kong District Tennis Circuit is one of the HKTA's local circuits for adult players. The tournament has seven competitions throughout the year and were played at different venues including the Hong Kong Tennis Centre, Tung Chau Street Park, Junction Road Park, Shek Kip Mei Park, Tai Po Sports Grounds, Quarry Bay Park, King's Park Recreation Ground, and Tuen Mun TSK Sports Ground from April to November. The winners & runners-up of each competition received an invitation to play in the Grand Masters held in December at the Hong Kong Tennis Centre. The approximate number of entries this year was 880.

## Community Junior Tennis Competition 2016

The community tennis events for Boys' and Girls' 12 and under, this event is a bridge between the Junior Series and Junior Novice competitions. It is an integral and popular part of the tournament scene in Hong Kong and each year tennis events are organised in all the different districts to enable players of all standards to compete. The competition culminated with a Grand Masters for these top 12-years-old players. In 2016, over 400 entries participated in four competitions divided into Hong Kong Island, Kowloon, and New Territories draws. The Federation of Community Tennis Clubs and Lions Clubs International District 303 Hong Kong & Macau (Grand Masters) supported the competition.

## Mini Tennis Competition 2016

Mini tennis competition is a starting point for players aged 6U. A total of four competitions were held this year at Harbour Road Sports Centre, Lai Chi Kok Park Sports Centre, Tsing Yi Sports Centre, and Shek Kip Mei Park Sports Centre. ## Ranking System

The Tournament Committee has revamped the EFG Junior Ranking, which is published on the HKTA website on the first Wednesday of each month. From July 2016, both the old and new rankings will be published. The old ranking computes all tournament results, using the old ranking table and a 15 ITF conversion points ratio. The new ranking will count the best 6 results, using the new ranking table and a 35 ITF conversion points ratio. The new system, which computes the best 6 results of a player over the previous 12 months on a rolling basis, is largely in line with the junior ranking system of the ITF. There is also conversion from points gathered from ITF and ATF junior tournaments to the Hong Kong junior ranking, as it is important for junior players to compete in international tournaments. The new system will be fully adopted starting in January 2017.
