

**Hong Kong Tennis Association**  
**Winter League 2020/21**

**Club Hygiene Advisory**

1. Home clubs should take steps to ensure that the club public areas are sterilized regularly throughout the day.
2. The away team should be informed in advance of any special measure taken in the home club (such as mandatory wearing of masks) so as to enable the players to go prepared.
3. Home club should provide hand-sanitiser (75% alcohol based) on the tennis courts.
4. Home club should identify designated locations for towels (at each end of the court), making certain that each player is using a different location for their towel at each end of the court.
5. Following every match, the designated towel areas must be cleaned with an appropriate disinfectant.
6. It is suggested that dinner be not provided by the home team.
7. Home clubs should set up crowd control guidelines having regard to the areas available for spectators to gather. It is recommended that each spectator should have a separation of at least 1.5 meters from another spectator.
8. All Clubs are required to notify Hong Kong Tennis Association of any suspected or confirmed cases of Coronavirus in relation to its member, staff or visitors.

**Players Hygiene Advisory**

1. Players should wear a facemask while taking public transport to /from the club, and maintain a high level of personal hygiene.
2. Players showing any sign or symptom of illness should not be permitted to take part in the match.
3. Except during matches, players should wear a facemask anytime in the club
4. When players remove their mask before a match, they should handle the mask with care, such as putting them into a plastic bag
5. Players are advised to avoid any bodily contact such as shaking hands before or after a match and adopt other forms of non-contact greetings.
6. Players are advised not to share towels or water cups or bottles.
7. Players must handle their own towels.
8. Players should avoid any form of close contact with other persons inside the club.
9. Players are advised not to stay behind or gather at the club after matches so as to minimize the risk of transmission
