

## Hong Kong Junior Rankings 2024

### How it works

#### **THE HONG KONG JUNIOR RANKING**

The Hong Kong Junior Ranking Points are available at all junior tournaments organized or sanctioned by the Hong Kong, China Tennis Association as well as ITF and ATF junior tournaments. The number of points available in each round will vary depending on the grading of the tournament and the round reached.

**Only the best six (6) results on a 52-week rolling basis will be counted towards the Hong Kong Junior Ranking .**

The Hong Kong Junior Rankings will be calculated electronically by a software commencing 1st April 2020.

All players are required to sign up for a free HKTA PIN account [[Sign Up](#)] in order to be included in the rankings.

In order to capture points from results of ITF World Tennis Tour (Juniors), ATF 14U Series events held in other countries, players must submit the result(s) of overseas tournaments of completion of the tournament for conversion into Hong Kong National Ranking. Conversion points will be updated in the next publication. Otherwise, the results will not be accounted for.

Only players that hold a valid Hong Kong Identity Card or a travel document proving residency in Hong Kong will have a Hong Kong National Ranking.
