Technical Notice: RE Update to Wildcard Policy

Dear HKCTA Members and Performance Community,

This notice serves to inform you of an important adjustment to the Hong Kong China Tennis Association's (HKCTA) wildcard policy. We believe these changes will promote fairness and enhance the competitive integrity of our tournaments.

Key Changes to the Wildcard Policy:

- **Wildcard Requests:** Only players who actively request a wildcard to the tournament team, will be considered for selection.
- **Tournament Commitment:** Players granted wildcards must commit to participating in the entire tournament. Future wildcard requests and team selections will be influenced by this commitment.
- **Good Standing:** Only players in good standing with the HKCTA will be eligible for wildcards.
- **Performance Results Submission:** Players must submit their best five tournament results from the previous six months for consideration.
- **Purpose of Wildcards:** Wildcards are intended to provide players with the opportunity to compete in events when they are not granted direct acceptance based on their ranking.

We appreciate your understanding and cooperation as we implement these changes to enhance the tournament experience for all participants. Please find further details of the wildcard policy on our website.
