**Technical Notice RE: HKCTA NTS Player Promotion System**

*(Effective Monday 1<sup>st</sup> December 2025)*

Dear NTS Players and Parents,

The NTS Player Promotion System has been introduced to support player progression through the following levels: NTS F to NTS B, NTS B to NTS A, and NTS A to ETG PT. This system operates alongside the HKCTA disciplinary procedure to ensure a fair and consistent pathway.

Lead coaches may identify outstanding player performances during training at their respective centres. These nominations will be presented to all performance coaches at the regular performance coach meeting for consideration.

**Selection Criteria** (HKCTA Disciplinary procedure)

- Attendance
- Effort/Work Ethic
- Coachability/Attitude
- Recent Results

**Promotion Type**

One Week Promotion: Players are invited to attend full week of training with the next tier during a designated week. (Maximum of once per month)

**Process and Communication**

Following the presentation of nominated players, coaches will vote. A majority vote is required for promotion approval. Important procedural notes:

- Neither players nor parents will be informed of nominations prior to the official acceptance of promotion.
- Coaches must strictly refrain from discussing nominations before the formal presentation to the coaching panel and parents involved.
- Once majority approval is secured, parents will receive an official invitation from the High-Performance team.

This promotion mechanism strengthens the connection across all player levels, advancing our mission to develop talent in a structured and transparent manner.

Further information on upcoming team match play events will be communicated shortly as we look to create a competitive environment for all players.

Thank you for your support.

Kind Regards
